

Connected Scale

What prerequisites are there to use the Connected Scale?

In order to sync data from your Connected Scale your Smart Device must:

- Either be running Android™ 4.3 (ou supérieur) and have Bluetooth Smart or an iPad® 3 / iPhone® 4S (or later) running iOS 5 to 8.4.1.
- The  **ARCHOS Connected Self** application installed available on [Google Play™](#) and [iTunes®](#)
